The image shows two screenshots from the Discord mobile app. The left screenshot displays the 'Create a server' dialog, which is highlighted with an orange border. A callout with the number '1' points to the '+' icon in the bottom-left corner of the app's navigation bar. The dialog itself has a title 'Create a server' and a subtitle 'Your server is where you and your friends hang out. Make yours and start talking.' Below this are four options: 'Create My Own', 'Gaming', 'School Club', and 'Study Group'. At the bottom, there is a section titled 'Have an invite already?' with a 'Join a Server' button, which is highlighted with a callout containing the number '2'. The right screenshot shows the 'Join a Server' dialog, also with an orange border. A callout with the number '3' points to the 'INVITE LINK' input field, which contains the URL 'http://discord.gg/midjourney'. Below the input field, there are examples of invite links and a 'Don't have an invite?' button. At the bottom right, there is a blue 'Join Server' button.
